Invitation and Call for Abstracts

National Symposium
on
Role of Plant Pathology in
Empowering and Doubling
Farmers' Income
&
ANNUAL MEETING
of
Indian Society of Plant Pathologists

on
25-27th October, 2018

at
ICAR Research Complex for NEH Region,
Umiam, Meghalaya-793103

INVITATION AND CALL FOR ABSTRACTS

The Executive Committee of the Indian Society of Plant Pathologists (INSOPP) extends a cordial invitation to attend National Symposium on "Role of Plant Pathology in Empowering and Doubling Farmers' Income" at ICAR RC for NEH Region, Umiam, Meghalaya, on 25-27th October, 2018.

About ICAR Research Complex for NEH Region: ICAR Research Complex for NEH Region, Umiam, Meghalaya was established on 9th January 1975. This Institute also has six regional centres in all the NEH states and 19 KVVKs. Now it contains 105 ha in Umiam, Meghalaya and it has been in the service of farmers for around four decades. There are ten Divisions at the headquarter in Umiam, viz. Natural Resource Management, Crop Production, Crop Protection, Horticulture, Biotechnology, Livestock Production, Animal Health, Fishery Sciences, Agricultural Engineering and Social Sciences. The Institute has contributed a lot in providing improved and sustainable technologies for Hill agriculture. It has played a prime role in bringing food sufficiency in this region. This Institute has also received the prestigious "Sardar Vallabhbhai Patel outstanding ICAR Institute award-2012". As of now the main mandate of the Institute is to develop and improve sustainable farming systems for different agro-climatic and socio-economic conditions of NEH Region, including organic agriculture.

Venue: Meghalaya is one among the eight states of north east India. There are many picturesque waterfalls in this state i.e. Elephant falls, Seven sisters falls, Mawmsai falls etc. This place also boasts of many more attractions like caves (Mawmsai etc.), root bridge, Umiam reservoir and Mawlynnong, the cleanest village in Asia etc. Main languages in this state are Khasi, Garo and Pnar, official language of the state is English. The ICAR Research Complex for NEH region is located at Umiam (18 kms from Shillong on Guwahati-Shillong highway NH 40). Nearest air link are Guwahati airport (~72 kms), flights available from major airports of the country and Umroi airport (~5 kms), flights from Kolkata only.

About Symposium: The theme of the symposium "Role of Plant Pathology in Empowering and Doubling Farmers' Income" will actually help us in deliberating the issues related to Plant Pathology which will further help us in coming out with concrete recommendations. We sincerely hope that the information and recommendations will empower farmers in a way so that they can make the decisions related to management of diseases, confidently and timely, which definitely will help in enhancing their income. Many distinguished speakers will be with us to deliberate on the issues of importance.

Venue of Symposium: DNB Hall, ICAR RC for NEH Region, Umiam, Meghalaya

Accommodation: Accommodation for participants will be arranged in research institutes / university guest houses/other private guest houses on payment basis (Rs. 100 to Rs. 1500 approx. per day). Accommodation can also be arranged in hotels that would cost Rs. 2500 to Rs. 5000 (single room) and Rs. 4000 to Rs. 6000 (double room) per day. We can assist the accommodation in star hotels as well. Efforts will be made to provide less expensive accommodation for the student participants of the symposium. For the same correspondence can be made to Organizing Secretary.

TECHNICAL SESSIONS

1. Crop patho-systems under changing climate scenario
2. Microbes for crop health
3. Innovations and trends in plant disease management
4. Functional genomics, nanotechnology and other emerging areas for strengthening plant disease management options
5. Epidemiology and molecular diagnostics
6. Host plant resistance
7. Disease management in organic agriculture
8. Stakeholder's perspective- interactive session

Abstracts in different theme areas will be selected for oral/poster presentation in each session. The size of the poster should be 48" (L) X 36" (W). Maximum 10 minutes will be allotted to the oral presenters. **There will be awards for best poster.**

English will be the official language of the Symposium.

Author's guidelines: Authors intending to participate in the symposium are requested to submit abstract online as attachment at insoppneh@yahoo.com in MS Word typed in single space and maximum of 300 words. The title (14 points/Times New Roman) should be followed by name of Author/Authors with the name of the person presenting underlined and their affiliation (12 points). **Abstracts will be screened before acceptance.**

Last date for abstract submission: 03.10.2018

REGISTRATION FEE

Delegates	Rs. 3000/-
Research Fellows	Rs. 1500/-
Students	Rs. 1500/-
Companies/ Institutions	Rs. 6000/-
Accompanying person	Rs. 1500/-

REGISTRATION

Confirm your registration by completing the attached form along with the non-refundable registration fee. For online payment bank details are as follows: **Account Name Indian Society of Plant Pathologists;**

Account No 37806115572; IFSC Code SBIN0012464; MICR Code 793002526.

Registration fee should be sent on or before 05.10.18

Cheque (s) will not be accepted.

INSOPP FELLOW

The society also reward its senior members with honour of fellows and members having seven years of continuous membership of the society may submit their complete bio data along with a demand draft of Rs 5000/- in favour of Treasurer, INSOPP, Department of Plant Pathology, PAU, Ludhiana. The maximum number of fellows to be admitted will be restricted to five only.

Resolutions to be moved in the Annual General Body Meeting may also be sent latest by 30th September, 2018 to Secretary INSOPP, secinsopp@pau.edu
