

Vol 32

June 2019

No.1

Contents

SL No	Title	Page
1.	Changing trends of Shifting cultivation and its drivers in Champhai, Northeast India <i>Pentile Thong, Uttam Kumar Sahoo, Rocky Pebam, Uttam Thangjam</i>	1-4
2.	Post-Harvest Farm Operation Losses in Wheat-A Case Study of Kathua District <i>Mansoor Hussain, Preet Kamal Singh, Nazir Hussain</i>	5-9
3.	Production and Profit from Different Farming System Approaches of Tripura <i>Chandan Debnath, Gulab Singh Yadav, Lopamudra Sahoo, H. Lembisana Devi, Vinay Singh</i>	10-15
4.	Preference and Credibility of Farm Information Sources by the Fish Farmers of West Tripura <i>K. Borah, Y.J. Singh, A. Sarkar, A.D. Upadhyay, P. Pal, A.B. Patel</i>	16-21
5.	Current status of Trout farming in Himachal Pradesh <i>Madhu Sharma</i>	22-26
6.	Determining and Mapping of Soil Erodibility Index for Nongpoh Watershed <i>Susanta Das, P. K. Bora, Prafull Katre</i>	27-33
7.	Economic Analysis of Frontline Demonstration of Barley in Kargil District of Jammu and Kashmir <i>Mansoor Hussain, Nazir Hussain, Ejaz Ahmed, Nasreen Fatima.</i>	34-36
8.	Impact of MGNREGA on income, expenditure and assets in Ri-Bhoi district of Meghalaya <i>Shaikh Tabrez, Anju Choudhury, K.K. Datta, S.M. Feroze, L. Devarani, L. Hemochandra</i>	37-41
9.	Milk Marketing in Nagaland <i>Sedeno Chale, Anju Choudhury, K.K. Datta, L. Devarani, L. Hemochandra</i>	42-45
10.	Marketing of broiler birds in Manipur <i>Ayam kemrin, Binodini Sethi, Ram Singh, L. Devarani, L. Hemochandra</i>	46-49
11.	Effect of Submergence and Phosphatic Fertilizers on Phosphate Potentials - A Measure of Phosphorus Availability in Acid Soils of Karnataka <i>Ramesh Thangavel, R. Ananthanarayana, K. Rajasekar, A. Balusamy, R. Krishnappa, S. Ramachandran</i>	50-56
12.	Effect of Intercropping on the Infestation of <i>Helicoverpa Armigera</i> <i>H. Supriya Devi, K. Mamocha Singh</i>	57-59
13.	Action of <i>o2</i> modifiers for endosperm modification and amino acids on <i>o2</i> maize <i>S.B. Mariyappan, D. Sen</i>	60-62
14.	Entrepreneurial behaviour of Women Self-Help Group members in Meghalaya <i>Chekame A. Sangma, J. K. Chauhan, R. J. Singh, Debjani Das</i>	63-67
15.	Problems Faced by the Farmers in Adoption of Improved Rice Technology in Khowai District of Tripura <i>Debjani Das, J.K Chauhan, R.J. Singh, Chekame. A. Sangma</i>	68-70
16.	Proximate constituents of some homegarden food crops and household food security in Mizoram, northeast India <i>Uttam Kumar Sahoo, Pebam Rocky</i>	71-78
17.	Response of irrigation levels on productivity and moisture extraction pattern of late sown rapeseed (<i>Brassica campestris</i> var. <i>toria</i>) varieties under Assam condition <i>Joyjit Das, Abhijit Sarma, Anup Das</i>	79-83
18.	Critical analysis on exploration of pre-production to marketing system for market-led extension approach <i>Bagish Kumar, Gopal Sankahala, Pankaj Kumar Sinha</i>	84-91

19.	Indigenous Technical Knowledge (Itk) Practiced by Dairy and Piggery Farmers in Meghalaya <i>M. Defenderson Shadap, Sao Evalwell Dkhar</i>	92-95
20.	State level agricultural vulnerability to climate change in North-eastern region of India <i>Mun Yomcha, S.M. Feroze, Dayohimi Rymbai, Ram Singh</i>	96-103
21.	Biogas plant for power generation in high water table condition <i>M Din, P. Mishra, Ramakant Tiwari, M.K. Ghoshal, Amit Namdeo</i>	104-108
22.	Evaluation of piscicidal potential of <i>Moringa oleifera</i> Lam <i>Chandan Denath, Lopamudra Sahoo</i>	109-112
23.	Animal Drawn Garlic (<i>Allium sativum</i>) Planter suitable for Animal Based Farming System <i>Manish Kumar, M. Din, Rama Kant Tiwari</i>	113-117
24.	Influence of Land Configuration and Nutrient Management on Productivity of Soybean [<i>Glycine max</i> (L.) Merrill] Under Rainfed Condition of Vidarbha Region <i>D.B. Mehetre, K.J. Kubde, R.P. Khandare</i>	118-121
25.	Economic viability of organic farming in Himachal Pradesh: an empirical verification <i>Tilak Raj</i>	122-130
26.	Variations of Daily Extreme Precipitation over Stations of Humid North-East India <i>Maisnam Luwangleima, Salil K. Shrivastava</i>	131-136
27.	Soil Binding Capacity of Different Forage Grasses in Terms of Root Reinforcement Ability toward Soil Slope Stabilization <i>Atul Kumar Pal, Akram Ahemd, V. K. Panday</i>	137-143
28.	Prevalence of Nematode Larvae in Cattle and Buffalo of Guwahati, Assam <i>M. Das, D.K. Deka</i>	144-151
29.	Agriculture Journalism brings employment in India <i>Avinash Sharma, Monoj Sutradhar, Sheelawati Monlai, Nirupa Kumari</i>	152-156
30.	Field evaluation of novel insecticides against <i>Mylabris phalerata</i> in Nagaland <i>P. Sakotsungba longchar, I. Yimjenjang Longkumer, Imtinaro L, Pankaj Neog</i>	157-161
31.	Physical and Anatomical - wood properties variation among the provenances of Red Sanders (<i>Pterocarpus santalinus</i>) <i>Lakshmy J Rajan, S. Suresh Ramanan, E.V. Anoop</i>	162-168
32.	Transition and Well-Being Status of Konyak Nagas Tribe Depends on Shifting Cultivation: An Empirical Case Study <i>D. K. Pandey, Shantanu Kumar Dubey, H. K. De, B. Jirli, L. Geetarani, Punabati Heisnam</i>	169-175
33.	Analysis of Trends of Mithun Populations with corresponding Trends of Forest Coverage and Climatic Factors in Mithun Rearing Districts of Nagaland <i>Sabyasachi Mukherjee, Imsusosang Longkumer, Nazrul Haque, M. H. Khan, J. Chamuah, A. Arunachalam, Abhijit Mitra</i>	176-184
