

Vol 32

December 2019

No.2

Contents

SL No	Title	Page
1.	Genetic Diversity of Soybean in India: A Review <i>Billy Cherian</i>	185-190
2.	Utilisation and valuation of important trees of Monpa tribe in Arunachal Pradesh <i>G. Pangging, N. Rai, C.L. Sharma, M. Sharma</i>	191-202
3.	Traditional oak agroforestry practices in Mima village of Kohima district, Nagaland state, northeast India <i>Akoijam Basanta Singh, Robindra Teron</i>	203-215
4.	Genotype ranking of soybean genotypes under acidic soil condition in Meghalaya <i>Yenkhom Linthoingambi Devi, K. Noren Singh</i>	216-221
5.	Assessing attitude of extension personnel towards ICT Tools in agricultural institutions in Ri-Bhoi district of Meghalaya <i>Nikhil J, J.K. Chauhan, Jyothi S.S.P</i>	222-226
6.	Determining drudgery prone household activities performed by hilly tribal women of West Garo hills of Meghalaya <i>Swapnali Borah</i>	227-230
7.	Procine cysticercosis: a neglected zoonoses and its economic impact in North East India <i>Acheenta Gohain Barua, Jyoti Pawan Chutia, Himangshu Raj, Bhanita Talukdar</i>	231-235
8.	Spices in the eastern Indian laterite soil with more polyphenols for health branding and export <i>Utkarsh Ghate, Hema Kulkarni</i>	236-238
9.	Rearing system of Niang megha breed of Pig in Meghalaya <i>R. Suchiang, M.N. Ray, L. Bora, S. Payeng, S.N. Chanu, B. Borah</i>	239-243
10.	Factors softening drought vulnerability of farm households in Nagaland <i>Baiarbor Nongbri, Sheikh Mohammad Feroze, Ram Singh, L. Devarani</i>	244-250
11.	Influence of land configuration and nutrient management on productivity of soybean [<i>Glycine max</i> (L.) Merrill] under rainfed condition of vidarbha region <i>D.B. Mehetre, K.J. Kubde, R.P. Khandare</i>	251-254
12.	Response of varying degrees of dormant pruning on vegetative growth, flowering, fruit set, fruit retention and fruit yield of promising peach (<i>Prunus persica</i> L.) Cultivars under mid hill conditions of Uttarakhand <i>Pooja Pant, M.C. Nautiyal</i>	255-257
13.	Evaluation of Horton and Modified Kostiakov infiltration model for suitability on hilly slopes <i>Robin L, Bora P.K</i>	258-264
14.	Nursery raising of Vanraja chicks: A Potential Rural Enterprise <i>Azmat Alam Khan, Zulfiqar-ul-Haq, Asra Khurshid, Insha Afzal, I.U. Shiekh, M.T. Bandy, I.U. Shiekh, M.T. Bandy</i>	265-267
15.	Adoption pattern of agroforestry systems-a case study from Nagri block of Ranchi district, Jharkhand <i>Rohit Kumar, B.C. Oraon, Anil Kumar, Nongmaithem Raju Singh, Rakesh Kumar</i>	268-274
16.	Character association analysis in perilla [<i>Perilla frutescens</i> (L.) Britton] <i>Safiqul Hussain, S. Changkija, D.K. Hore</i>	275-282
17.	Present Status of Pengba (<i>Osteobrama belangeri</i>) Farming in the Valleys of Manipur <i>O. Naresh Khuman, Y.J. Singh, A. Sarkar, A.D. Upadhyay, P. Pal, A.B. Patel</i>	283-286
18.	Effect of sulphur and bio fertilizers on growth attributes of sesame (<i>Sesamum indicum</i> L.) and soil fertility in red and lateritic soils of West Bengal, India	287-294

	<i>Anamika Das, Pabitra Kumar Biswas</i>	
19.	Portable rice thresher model compatible for rural small scale farmers <i>Bendangwapang, Samadangla Ao</i>	295-298
20.	Tactics adopted by the displaced tribal farmwomen of hill district of Assam to combat with changing aspects of geo and socio-ecological systems <i>Monosri Johari, K.K. Saharia</i>	299-304
21.	Biodiversity of one Garo village of Assam with an emphasis on the traditional knowledge and use of the wild plants <i>Mary Dutta, Mallika Basumatari, Gautam Baruah, Darshana Borah, Lina Gogoi</i>	305-310
22.	Prospects and challenges of organic farming with special reference to Nagaland- A Review <i>Nchumthung Murry</i>	311-315
23.	Fungal infestation level of farmers' rice seed in hill districts of Manipur <i>Th. Tilakraj Singh</i>	316-321
24.	What influences farmers' choice of source of fuelwood collection from privately owned agroforestry systems vis-a-vis state owned forests: A study from Western Himalaya <i>Kamal Kishor Sood, Tahir Mushtaq</i>	322-328
25.	Changes in the patterns of crop diversification in Himachal Pradesh: 1971- 2011 <i>Shilpa Devi, Navneet Kaur</i>	329-334
26.	Effect of sulphur and bio fertilizers on sesame (<i>Sesamum indicum L.</i>) yield and quality in red and lateritic soils of West Bengal, India <i>Anamika Das, Pabitra Kumar Biswas</i>	335-341
27.	Standardization of level of nitrogen (N) management for maize using leaf color chart (LCC) in hill zone of West Bengal <i>Hriday Kamal Tarafder, Koushik Roy, Amrit Tamang, Agniswar Jha Chakraborty</i>	342-345
28.	Effectiveness of short message service in knowledge gain among farmers in sub-himalayan region <i>Rakesh Roy, M.W. Moktan</i>	346-349
29.	Biodiversity of insect pests in wheat ecosystem in mid hills of Meghalaya <i>Nadon, W.F, Thakur N.S.A</i>	350-353
