

Job Announcement - Rural Livelihoods Specialists

Society for Action in Community Health (SACH), a leading Civil Society Organisation with its Head Office in New Delhi, is working for promotion of health, education, livelihoods, water and sanitation in various parts of the country for nearly three decades. We are presently working in Umling and Jirang Blocks of District RiBhoi on a Holistic Rural Development Programme to strengthen communities for improving their livelihoods. We are looking for dynamic Livelihood Specialists to manage this programme.

Roles and responsibilities : S/he will be responsible for implementation of all livelihoods interventions (agriculture, animal husbandry, fishery, etc.) through Farmers' Groups, SHGs, Producers' Groups. S/he will be responsible for training and providing on-site guidance to the field functionaries / field workers for implementation of various livelihood interventions. S/he must be able to analyse and develop value chain of livelihood promotion, and formation of producers' groups, marketing linkages etc.

Eligibility : Candidates shall be graduate in Agriculture/ Animal Sciences/ Agricultural Extension/ Horticulture/ fisheries from recognised institutions/university with at least three years experience with proven track record in livelihood interventions (agriculture, animal husbandry, food processing and value addition, etc.). Post Graduate qualifications in Rural Management or Project Management would be desirable. Graduates in life sciences with at least five years of experience may also be considered for the positions.

Other skills : Familiarity with written and spoken English is essential, along with ability to read, write and speak Khasi (and Bhoi/ Mikir/ Karbi) language. Working knowledge of word processing, spreadsheets and databases is essential.

Remuneration will be commensurate with qualifications and experience. Annual gross emoluments between Rs 3.00 lakh to Rs 4.50 lakh.
