

**Knowledge Innovation Repository of Agriculture in North East (KIRAN)  
Farmer-Advisory Experts' Registration Form**

**\*\* All the columns are mandatory.**

**Name of Expert:**

**Phone No:**

**Mobile No:**

**Email id:**

**State where expert's organization belong:**

**District where expert's organization belong:**

**Designation (Tick only one):**

- |  |   |  |
|--|---|--|
| <input type="checkbox"/> Director            | <input type="checkbox"/> Programme Co-Ordinator | <input type="checkbox"/> Subject Matter Specialist |
| <input type="checkbox"/> Joint Director      | <input type="checkbox"/> Assistant Professor    | <input type="checkbox"/> Technical Officer         |
| <input type="checkbox"/> Head                | <input type="checkbox"/> Associate Professor    | <input type="checkbox"/> Vice Chancellor           |
| <input type="checkbox"/> Lecturer            | <input type="checkbox"/> Dean                   | <input type="checkbox"/> Zonal Project Director    |
| <input type="checkbox"/> Principal Scientist | <input type="checkbox"/> Senior Scientist       | <input type="checkbox"/> Reader                    |
| <input type="checkbox"/> Professor           | <input type="checkbox"/> Scientist              | <input type="checkbox"/> Others (please specify)   |

**Department (Tick only one):**

- |   |  |  |
|---|--|--|
| <input type="checkbox"/> Administration           | <input type="checkbox"/> Fisheries         | <input type="checkbox"/> Social Sciences         |
| <input type="checkbox"/> Agricultural Engineering | <input type="checkbox"/> Home Science      | <input type="checkbox"/> Others (please specify) |
| <input type="checkbox"/> Animal Sciences          | <input type="checkbox"/> Horticulture      |  |
| <input type="checkbox"/> Crop Sciences            | <input type="checkbox"/> Natural Resources |  |
| <input type="checkbox"/> Education Finance        | <input type="checkbox"/> Management        |  |

**Specialization (You may tick more than one):**

- |   |   |  |
|---|---|--|
| <input type="checkbox"/> Agronomy                         | <input type="checkbox"/> Floriculture                         | <input type="checkbox"/> Pathology                               |
| <input type="checkbox"/> Anatomy                          | <input type="checkbox"/> Food and nutrition                   | <input type="checkbox"/> Pharmacology                            |
| <input type="checkbox"/> Animal nutrition                 | <input type="checkbox"/> Food processing                      | <input type="checkbox"/> Physiology                              |
| <input type="checkbox"/> Aquaculture                      | <input type="checkbox"/> Forest product utilization           | <input type="checkbox"/> Pomology                                |
| <input type="checkbox"/> Biochemistry                     | <input type="checkbox"/> Genetics                             | <input type="checkbox"/> Post-harvest management                 |
| <input type="checkbox"/> Biotechnology                    | <input type="checkbox"/> Gynaecology                          | <input type="checkbox"/> Poultry science                         |
| <input type="checkbox"/> Breeding                         | <input type="checkbox"/> Human development and family studies | <input type="checkbox"/> Public health                           |
| <input type="checkbox"/> Computer application             | <input type="checkbox"/> Humanities                           | <input type="checkbox"/> Renewable energy engineering            |
| <input type="checkbox"/> Dairy science and technology     | <input type="checkbox"/> Irrigation and drainage engineering  | <input type="checkbox"/> Seed technology                         |
| <input type="checkbox"/> Economics                        | <input type="checkbox"/> Livestock production management      | <input type="checkbox"/> Silviculture and agroforestry           |
| <input type="checkbox"/> Entomology                       | <input type="checkbox"/> Livestock product technology         | <input type="checkbox"/> Soil and water conservation engineering |
| <input type="checkbox"/> Environmental sciences           | <input type="checkbox"/> Medicine                             | <input type="checkbox"/> Soil science                            |
| <input type="checkbox"/> Epidemiology                     | <input type="checkbox"/> Microbiology                         | <input type="checkbox"/> Statistics                              |
| <input type="checkbox"/> Extension                        | <input type="checkbox"/> Nematology                           | <input type="checkbox"/> Structural engineering                  |
| <input type="checkbox"/> Family resource management       | <input type="checkbox"/> Olericulture                         | <input type="checkbox"/> Surgery                                 |
| <input type="checkbox"/> Farm machinery and power         | <input type="checkbox"/> Others                               | <input type="checkbox"/> Textile and apparel design              |
| <input type="checkbox"/> Fishery resources and management | <input type="checkbox"/> Parasitology                         | <input type="checkbox"/> Tree improvement                        |
| <input type="checkbox"/> Fish processing technology       |   | <input type="checkbox"/> Others (please specify)                 |
