

MONITORING AND EVALUATION OF ATMA ACTIVITIES OF KVK WEST SIANG WEST SIANG CONDUCTED

As a part of 3rd Party Monitoring and Evaluation of ATMA activities for the year 2011-12 and 2012-13 in Arunachal Pradesh Dr. S. Bhattacharyya, Sr. Consultant, AFC India Ltd. visited the KVK West Siang today the 1st June, 2014 to take stalk of the activities conducted by the KVK under the ATMA. The team was accompanied by Shri Karbom Riram, DAO, Aalo; Shri Toli Bam, SDAO, Basar. The team was received by Shri A. Kirankumar Singh, I/C Programme Coordinator, KVK West Siang, ICAR Research Complex for NEH Region, Arunachal Pradesh Centre, Basar with the

farmers involved under the Farm School which was established in the Integrated Farming System field of Shri Kenmar Basar of Gori-I at Sire Rijo during the financial year 2012-13. Later, Dr Bhattacharyya interacted directly with the farmers about the support rendered through the Farm School and the activities carried out by them in their fields. Shri Kenmar Basar, detailed about the technical as well as other logistic support rendered by the KVK West Siang and expressed their satisfactory remarks to the monitoring and evaluation team. The team also expressed satisfaction over the works carried out by the KVK West Siang and efforts made to make the farmers benefitted through the Farm School and suggested to make FIG and SHGs under the school to render more benefit to the farmers.
