

FARMERS WERE ENCOURAGED BY KVK WEST SIANG AND ICAR BASAR

A team comprised of Mr A. Kirankumar Singh, i/c Programme Coordinator, KVK West Siang, Mr LetngamTouthang, Scientist (Plant Breeding), Mr BadapmainMakdoh, Scientist (Agronomy) and Mr BommoBasar, Sr. Technician of ICAR A.P. Centre, Basar visited the farmers' field at Kadi, New Bam and Old Bam villages. During the visit, the team members monitored the activities carried out by SmtArunaRiba of Kadi village, ShriDakkar Bam of New Bam; ShriGomo Bam and SmtBomken Bam of Old Bam village. The team also inspected the fields where seed production of toria is going to be conducted. Further, the team encouraged them for growing low volume high value crops by distributing polyfilms for construction of low cost polyhouse to SmtArunaRiba and ShriDakkar Bam under TSP. The team also apprised them to involve in seed production programme on Toria with dedication and sincerity.
