

## Twenty five days ESDP on Mushroom cultivation For educated unemployed youths concludes

**Basar, July, 8:** Twenty five days long Entrepreneurship cum Skill Development Programme (ESDP) on Mushroom Cultivation successfully concluded at ICAR, Basar. Thirty educated unemployed youth availed the training programme on mushroom cultivation. Master trainer of the programme was Dr. Raghuvver Singh, Scientist (Plant Pathology) from ICAR, Basar. Resource person was Sh. K. Riram, Ex-ADI, Basar impart training on various aspects of the entrepreneurship development.

Joint Director ICAR, Basar, Dr. R. Bhagawati, addressed the valedictory function, appealed the participants to make good use of the knowledge and skills acquired during training. He also appealed the participants to share the skill learnt during the training with fellow friends so that mushroom cultivation can be made to percolate down to one and all. He also encouraged the trainees to take the benefit under the Prime Ministers Employment Generation Programme (PMEGP) in order to start their own venture.

Course Director of the ESDP programme was Sh. Santanu Mohan Deka, Assistant faculty member, IIE, Guwahati (Assam) and training coordinator, Sh. Nyoli Nyodu. It is an initiative of the Union Ministry of Micro, Small and Medium Enterprises which aims to build capacity of the educated unemployed youth. Programme successfully organized with the collaboration of ICAR, Basar.
